Township of Ocean Environmental Commission

The Township of Ocean's Environmental Commission is having its regularly scheduled meeting on March 29, 2010 at 7:00 PM at the Town Hall, 50 Railroad Avenue. The topic for discussion will be the adoption of a possible Fertilizer Ordinance in town.

In attendance will be Guest Speaker Councilman John Spodofora of Stafford Township speaking on their recently approved Fertilizer Ordinance.

The meeting will be informative and open for public discussion.

Attendance from residents is encouraged.
