

Township of Ocean Adopt A Bench Program

Memorial Benches are a perfect way to honor a special person, place, or thing. The intention of the Township of Ocean's Adopt A Bench Program is to offer citizens a way to remember loved ones and/or honor individuals or groups in a visible, lasting way that also provides visitors and citizens with the comfort and convenience of benches in our park areas. These benches will allow your loved one's memory to live on in an act of service to our Township parks. Your contribution will be a great enhancement to many people's quality of life.

Program Guidelines:

The donation per bench is \$900.00 (subject to annual review). The price includes the cost of the bench, shipping, installation and engraving of a 4" x 6" Vinyl Plaque up to 4 lines and up to 28 Characters/Spaces per line. You have a choice of Regular or Italic Lettering.

****Optional:** Image of your beloved pet for benches placed at Dog Park only— Add \$40.00
You will be contacted to send a JPG or PNG Image to us.

Park benches will be ordered upon receipt of your donation. Donors will be notified of the date of installation.

The Township of Ocean has the sole responsibility for the care and maintenance of the park bench once installed. The Township respectfully requests that no flowers, wreaths, pictures, etc. be placed at the site. Maintenance and repairs will be performed by the Township as needed.
